*\*Consignors who wish to participate should come to the Tack Exchange & mark your items with the asking price. PAH volunteers will keep a written inventory of items consigned for sale, item description and asking price, whether item was sold. Payment will be via cash or check, made payable to the consignor of the tack. At the end of the event, the consignor is responsible/encouraged to make the 10% fee donation to the hounds (PAH). Of course, if the seller would like to donate more than 10%, they are encouraged to do so.*
